### **Environmental Statement**

As a Contract Electronics Manufacturer (CEM) CFTen is committed to conducting its business in a manner that will preserve and protect the environment.

This commitment includes:

- Promoting consideration of environmental concerns, in the decision making, usage, handling and disposal of materials through all employees
- Promoting the prevention of pollution, by avoiding the use of hazardous substances where at all possible, and ensuring the correct handling, and disposal of waste through recognised 3<sup>rd</sup> party providers
- Conserving natural resources
- Reducing waste and recycling all materials where at all possible

Our Environmental standing is an ever evolving process, and we will continue to monitor and improve this process to ensure a safe and secure environment for our customers, associates, and the community alike.
